ROTATIONAL TAPS & CASKS

This is where the fun begins!

Tap takeovers, seasonal specials and exclusive releases; our rotational lines are where its at. Working with breweries from around the world we showcase the best beers they have on offer.

BREWERY TAPS

Our permanent rotational brewery taps are from

PILOT

Crafting a diverse range of unfiltered and unfiltered beer in Leith since 2013. Seriously drinkable beer, not so serious on Twitter.

BARNEYS BREWERY

Housed in a 1900s horse stable at Summerhall, Andrew Barnett aka Barney's Beer aims to breathe new life into traditional beers with the odd experimental brew thrown in.

STEWART BREWERY

Steve and Jo Stewart launched their first beers back in 2004 establishing one of Scotland's most successful breweries. 18 years later they are still going strong producing a vast range of great beers.

BELLFIELD BREWERY ^{GF}

Gluten free but not flavour free, producing beer for everyone to enjoy. The UK's first dedicated gluten free brewery launched their first beers back in 2016 and haven't looked back.
